## **Message from the Desk of the President: Mrs. Barnali Khara**

At Shibani Foundation, our mission is rooted in compassion, inclusion, and a deep sense of social responsibility. We work with the belief that education, empowerment, and care can transform lives and strengthen communities. Through our initiatives in inclusive education, women empowerment, skill development, health awareness, and environmental responsibility, we continue to touch the lives of those who need support the most.

I express my heartfelt gratitude to our dedicated team, advisory board, partners, volunteers, and well-wishers whose commitment and cooperation make our journey meaningful. Together, we remain focused on creating sustainable impact and nurturing a society built on dignity, opportunity, and hope.

## **Message from the Desk of the Vice President: Prof. Sibaram Khara**

The progress of Shibani Foundation reflects the power of a shared vision and collaborative action. By aligning our programmes with the Sustainable Development Goals, we strive to integrate education, skill building, research, and community engagement into a holistic framework for social development.

I sincerely appreciate the efforts of our team members, academic collaborators, institutional partners, and supporters who contribute their time, expertise, and resources. As we move forward, we aim to expand our outreach, strengthen partnerships, and foster innovation-driven solutions that contribute to long-term social transformation.

## **1. Bridging Gaps: Inclusive Education Linked with Sustainable Skill Building (SDG 4&8)**

- **SDG 4 – Quality Education**
- **SDG 1 – No Poverty**
- **SDG 10 – Reduced Inequalities**

The foundation began its activities on 11 July 2021 and was formally registered on 9 August 2023. What started with just one student has now grown into an impactful initiative supporting over 200 underprivileged children. The foundation has employed two teachers on a paid basis and ensures that the children receive free stationery, books, and snacks as part of its ongoing commitment to their education and well-being. The Foundation has also supported seven children in securing admission to formal schooling after preparing them academically for enrolment. In addition, the Foundation has covered their annual school fees, along with providing uniforms, books, and stationery and examination support ensuring they begin their education without financial barriers.

## **2. Skill Development & Poverty Alleviation**

- **SDG 1 – No Poverty**
- **SDG 4 – Quality Education**
- **SDG 5 – Gender Equality**
- **SDG 8 – Decent Work & Economic Growth**

Previously operated a centre dedicated to imparting IT skills to industrial workers under the Skill Development Initiative. More than 60 industrial workers benefited from this initiative, where the Foundation established a dedicated IT training lab in the UPSIDA Industrial Area. Foundation ensures Trainers' honorarium, Training materials, and learning resources.

### **IT training lab at UPSIDA Industrial Area**

### **3. Skill Development & Poverty Alleviation**

- **SDG 1 – No Poverty**
- **SDG 4 – Quality Education**
- **SDG 5 – Gender Equality**
- **SDG 8 – Decent Work & Economic Growth**

Sewing classes were initiated near Dhankaur village, where 25 girls have been trained in tailoring skills. This initiative has helped enhance their confidence, employability, and opportunities for income generation.

**Sewing classes at Dhankaur village**

## 4. Research & Social Innovation

- **SDG 9 – Industry, Innovation & Infrastructure**
- **SDG 11 – Sustainable Cities & Communities**

The Foundation has fostered sustainable research by facilitating collaborations, hosting conferences, and supporting knowledge-exchange initiatives. By engaging scholars and partnering institutions, it has encouraged innovation-driven solutions that contribute to community development while enhancing global academic visibility.

**Prof. (Dr.) Sarvesh Chandra**  
 ex-IIT Kanpur  
**Mr B.K, Srivastava (NTPC)**

**Ms Bijeta Mohanty**  
 Ministry of Textiles Government of India

**Prof. (Dr.) R.K. Khandal**  
 Ex-VC., AKTU  
**Mr. Y K Gupta**  
 Pro-Chancellor, Sharda University & Vice  
 Chairman, SGI

## 5. Health & Community Well-Being

- **SDG 3 – Good Health & Well-Being**
- **SDG 10 – Reduced Inequalities**

So far, over 340 women have benefited from these health awareness camps. The Foundation continues to work toward enhancing community health and well-being through sustained outreach and preventive care initiatives. Foundation ensures Honorarium to medical professionals, Sanitary kits, hygiene supplies, and health-related materials

## 6. Environmental Sustainability & Climate Action

- **SDG 13 – Climate Action**
- **SDG 11 – Sustainable Cities & Communities**
- **SDG 12 – Responsible Consumption & Production**

Tree plantation drives, cleanliness campaigns, and eco-awareness sessions were organized to promote environmental responsibility and climate action. More than 200 saplings were planted and nurtured across Greater Noida. Through these initiatives, families and children adopted long-term sustainable habits, contributing to cleaner, greener, and more responsible communities.

**Prof. (Dr.) Sibaram Khara**  
VC Sharda University

**Prof. (Dr.) R.K. Khandal**  
Ex-VC. AKTU

**Ms Bijeta Mohanty**  
Ministry of Textiles,  
Government of India

## **7. Women's Empowerment & Child Upliftment**

- **SDG 5 – Gender Equality**
- **SDG 4 – Quality Education**
- **SDG 3 – Good Health & Well-Being**
- **SDG 10 – Reduced Inequalities**

Women participated in counselling sessions covering health, hygiene, documentation, and government welfare schemes. Mothers were encouraged and guided to support regular schooling for their children. These initiatives fostered confidence, increased awareness, and strengthened family support systems within the community.

**Chief Guest Ms. Suriti, DCP Women Security, Gautam Buddha Nagar**

## **8. Community Development & Rural Advancement**

- **SDG 10 – Reduced Inequalities**
- **SDG 4 – Quality Education**
- **SDG 3 – Good Health & Well-Being**
- **SDG 11 – Sustainable Cities & Communities**

Our assessment revealed that industrial labour communities face significant challenges, including unsafe living conditions and increased risks affecting children’s well-being and development. To address these issues, we established the Child Development Centre, where children receive behavioural support, structured learning, and counselling. Through this initiative, we have successfully reduced vulnerability, improved emotional resilience, and strengthened family relationships within the community. We have conducted various Parent engagement sessions.

**Chief Guest**  
**Wg Cdr Mr. Pradeep Kalaskar**

## **9. Art, Culture & Heritage Promotion**

- **SDG 4 – Quality Education**
- **SDG 10 – Reduced Inequalities**
- **SDG 17 – Partnerships for the Goals**

Art classes, cultural activities, and competitions have nurtured creativity and confidence among children. Performances at different events and festival celebrations helped foster cultural pride, teamwork, and emotional expression. The Foundation actively supports and promotes cultural engagement as a vital part of holistic child development.

## **10. Humanitarian Support & Relief Services**

- **SDG 1 – No Poverty**
- **SDG 2 – Zero Hunger**
- **SDG 3 – Good Health & Well-Being**

During the flood situation near Sector 150, the Foundation actively responded for one month, providing food, medical kits, blankets, and clothing to affected families. Senior citizens also contributed as mentors, enriching children's learning and values during this period.

### **Humanitarian Support & Relief Services at Noida, Sector 150**

## **11. Collaboration with Institutions and Government Bodies**

The Shibani Foundation stands as a beacon of hope, transforming lives through education and community engagement. By focusing on underprivileged children and women, and leveraging the wisdom and experience of senior citizens, the foundation is building a more educated, empowered, and cohesive society.

### **Collaborations**

#### **Collaboration with Sharda University**

The Shibani Foundation has partnered with Sharda University to engage students from Higher Education Institutions (HEIs) in meaningful community service. This collaboration, formalized through an MoU with the Community Engagement Cell of Sharda University, aims to sensitize students and faculty about pressing social, economic, and environmental issues. Through this partnership, students participate in various initiatives, gaining firsthand experience in addressing community challenges and contributing to sustainable development. The collaboration fosters a sense of social responsibility and civic engagement among students, preparing them to become conscientious leaders and change-makers.

#### **Collaboration with SWARA Finance**

The Shibani Foundation collaborates with SWARA Finance to promote financial inclusion and socio-economic empowerment of underserved communities. This partnership focuses on creating awareness around microfinance, livelihood generation, and responsible financial practices. Through joint initiatives, students and volunteers gain exposure to grassroots financial models, community banking, and inclusive growth strategies. The collaboration helps bridge the gap between financial institutions and marginalized populations while nurturing socially conscious professionals committed to equitable economic development.

#### **Collaboration with QX Global Service Pvt. Ltd.**

The Shibani Foundation has partnered with QX Global Service Pvt. Ltd. to strengthen industry–academia–community linkages and promote skill development aligned with real-world industry needs. This collaboration enables students to engage with professionals on projects related to analytics, digital transformation, and business process innovation while applying their knowledge to social and community-oriented challenges. The partnership enhances employability, practical exposure, and ethical leadership, fostering a workforce that is both professionally competent and socially responsible.

## **12. Outcomes**

### **1. Stronger Educational Access & Improved Learning**

- Over 220+ children gain continuous access to quality learning and developmental support.
- Improved school enrolment and reduced dropout risks in industrial labour communities.
- Children develop stronger academic skills, discipline, and positive social behaviour.

### **2. Enhanced Livelihood Opportunities**

- 30 beneficiaries gain employable skills in IT and stitching.
- Women and youth become financially stronger through self-employment and new job opportunities.
- Community members gain confidence, independence, and long-term income stability.

### **3. Advancement in Research & Innovation for Social Development**

- Successful organisation of ESTSD 2025 – International Conference on Emerging Smart Technology for Sustainable Development, bringing together global researchers, policymakers, scientists, and industry experts.
- Increased international academic visibility through Springer LNEE Series publication of selected peer-reviewed papers.
- Promotion of interdisciplinary research across AI, renewable energy, environment, communication, robotics, digital health, and smart cities.
- Strengthened collaboration between universities, research societies, government bodies, and industries for sustainable development.
- Enhanced leadership role of the Shibani Foundation in encouraging innovation-driven solutions that support the UN Sustainable Development Goals (SDGs).

### **4. Improved Health Awareness & Access**

- Greater awareness of hygiene, nutrition, preventive health, and maternal care.
- Community members receive timely free check-ups, counselling, and health guidance.
- Reduced vulnerability among women, children, and industrial labour communities.

### **5. Greener and More Sustainable Communities**

- Plantation of 200+ saplings and cleanliness drives contribute to improved air quality and community pride.
- Increased awareness about waste reduction, recycling, and eco-friendly habits.
- Families and children adopt long-term sustainable practices.

## 6. Empowered Women & Strengthened Families

- Women gain knowledge of health, hygiene, documentation, and government schemes.
- More mothers send their children regularly to learning centres.
- Families adopt cleaner, healthier, and more supportive lifestyles.

## 7. Child Protection & Community Support

- At-risk children move away from wage work and unsafe environments.
- Behavioural guidance, routines, and counselling build confidence and emotional security.
- Parents become more aware and engaged in their children's development.

## 8. Promotion of Art, Culture & Heritage

- Children develop creativity through art, singing, dance, and cultural activities.
- Participation in ESTSD 2025 cultural events builds confidence and cultural pride.
- Festivals and cultural programmes strengthen emotional bonding and values.

## 9. Humanitarian Relief & Social Solidarity

- Flood-affected families receive essential relief through regular support drives.
- Thousands of clothes, toys, cycles, and blankets distributed to needy families.
- Active involvement of community elders strengthens intergenerational learning and community care.

## **13. Future Initiatives**

The Shibani Foundation will continue expanding its programmes to support children, women, youth, and vulnerable families. The following future initiatives are planned to deepen impact across education, skill development, research, health, environment, culture, and community wellbeing.

### **1. Strengthening Skill Development & Livelihood Training**

- Mobilise more women and adolescent girls for stitching and tailoring courses at EPIP, Kasna.
- Expand computer training outreach to youth and children, improving digital readiness.
- Introduce advanced vocational modules (fabric design, embroidery, MS Office, digital services).
- Create pathways for home-based income and small-scale entrepreneurship.

### **2. Expanding Access to Education & Learning Support**

- Increase enrolment at the Child Development Centre for early learning support.
- Introduce weekend learning clubs for reading, art, creativity, and personality development.
- Start a Parent Engagement Programme to strengthen home-based learning.

### **3. Advancing Research & Innovation for Social Development**

- Continue supporting ESTSD 2025/2026 as a platform for sustainable technology research.
- Facilitate collaborations with universities, SIRSD, SEED Foundation and industry partners.
- Encourage youth and scholars to publish in Springer-indexed conference proceedings.
- Promote community-relevant research in education, environment, and digital inclusion.

### **4. Strengthening Health & Well-Being Initiatives**

- Conduct more frequent health camps, with a special focus on women's health.
- Launch awareness programmes on nutrition, anemia, preventive care, and hygiene.
- Build partnerships with local hospitals for regular screenings.

### **5. Expanding Environmental Conservation Efforts**

- Scale up tree plantation drives and adopt new green zones in Greater Noida.
- Introduce school-level sustainability clubs for children.
- Promote waste segregation, recycling, and plastic-free community practices.

### **6. Deepening Women Empowerment & Family Support**

- Offer continuous counselling, awareness sessions, and support for government schemes.
- Strengthen programmes that motivate mothers to send their children to school regularly.
- Launch "Women Leadership Circles" to build community role models.

### **7. Enhancing Child Protection & Community Outreach**

- Expand structured behavioural and emotional guidance programmes for at-risk children.
- Build safer learning spaces in labour colonies.
- Increase home visits and parental counselling to prevent child labour and risky behaviours.

## 8. Promotion of Art, Culture & Heritage

- Introduce year-round art, music, and dance workshops for children.
- Ensure annual participation in ESTSD cultural events, including Ganesh Vandana, group songs, and dance.
- Celebrate festivals like Rakhi, Independence Day, and Environment Day to build cultural understanding.

## 9. Strengthening Humanitarian & Relief Efforts

- Prepare for rapid response during floods, winter hardships, and unforeseen crises.
- Continue clothing, blanket, toy, and cycle donation drives in urban and rural areas.
- Engage community elders as mentors and volunteers in social programmes.

## Awards & Recognitions
